

## JSEC REPORT

The JSEC Committee has been comprised of various community members as well as Job Service staff. Recruiting members from the community continues to be a challenge. It takes everyone in a small community to keep all projects going and people are continually taking on new projects and have to let something go from their list. Generally, our membership suffers. We have had support from the sheriff's office, the school, various businesses and programs in the area.

JSEC has sponsored the following activities and programs for the general public and businesses:

- 1) Paul Tuss/Economic Development
- 2) College Goal Sunday
- 3) Catching & Releasing Talent – Mark Willmarth
- 4) Tim Ryan – USDA Economic Development
- 5) Harassment Training
- 6) Work Comp/State Fund Workshop
- 7) ABC Clinic – 2005 & 2006
- 8) Kelley Shepp – Sweet Grass Development
- 9) Deb Buxbaum – MSEC

This past year the bylaws were revised to meet the needs of the community. The committee has wanted to fund a scholarship; however, due to lack of funding we have been unable to do so. Our primary fundraiser has been the ABC Clinic, which we have held in conjunction with the Cut Bank Chamber of Commerce. There is lack of motivation within the committee to do other fundraisers.
